Satya Group launches its mega commercial project 'The Hive' just off Dwarka Expressway

Satya Group has added another milestone to its project portfolio by launching its mega commercial project, The Hive, located just off Dwarka Expressway.

The project is one of its kind three side open commercial development that

comprises of high street retail, smart offices, restaurants, serviced apartments, food court and multiples, all under one umbrella. With 220 mtr wide frontage and 75 mtr sector road, 'The Hive' is surrounded by a large number of residential group housing and township projects. Its proximity to Dwarka Expressway and the proposed Diplomatic Enclave-2 makes the project most desirable for the seekers of the new age walk-to-work culture.

One of the best USPs of the project is that it's a great spot for corporate lunches.

"The highstreet marvel 'The Hive' is emerging to become the lifeline of Dwarka Expressway, as the development offers contemporary shopping, modern workspaces and new-age serviced apartments supplemented with comprehensive offerings of amenities and features," said Manish Agarwal, MD of Satya Group and VP of CREDAI-Delhi NCR.
