

Satya Group launches The Hive off Gurgaon expressway

SATYA Group has launched its commercial project, The Hive, at sector 102 Gurgaon, off the Dwarka expressway. The project comprises of retail outlets, smart offices, restaurants, serviced apartments, a food court and a multiplex, a statement issued by the company said.

With 220-metre wide frontage and 75-metre sector road, The Hive is surrounded by multiple residential group housing and township projects.

It is situated within close proximity to the Dwarka expressway, the 18-km-long toll free expressway connecting Dwarka, IGI Airport and Gurgaon and the proposed Diplomatic Enclave-2 in the sector. The project boasts of features such as mega 6-screen multiplex, multi-cuisine restaurants, outdoor cafes, patisseries and a hygienic street food zone. It can also be a venue for corporate lunches, the company

said.

Speaking about the launch, Manish Agarwal, managing director, Satya Group, said, "The high street marvel The Hive, is emerging to become the lifeline of Dwarka expressway, as the development

offers contemporary shopping, modern workspaces and new-age serviced apartments supplemented with comprehensive offerings of amenities and features. It provides unmatched luxury experience, which will play a vital role in making

Independent view

Satya Group's commercial project, The Hive, located in sector 102 Dwarka expressway in Gurgaon has been attractively designed. With 100 per cent power backup and hi-tech security systems, wi-fi enabled complex and state-of-the-art health facilities, this project will serve as an ideal business destination for many. Located very close to the proposed metro corridor and residential sectors, Satya sector 102 Dwarka Gurgaon offers a standard address for people who love to work and shop at the same time. This will be the best opportunity for long-term investors looking for a good life ahead with expectations.
